1. In accordance with the provisions of ECI 1-451 and 1-452, ER 1180-1-1, and paragraphs 1-451 and 1-452, Army Procurement Procedure, you are hereby designated authorized representative of the Contracting Officer for the purpose of supervision and inspection of all work under the jurisdiction of the Rapid City Area.

2. There is attached hereto for your information a chart showing the extent and scope of your authority in given instances under the terms of each contract and/or specifications. This chart also shows the authority reserved to the Contracting Officer. You also have authority under this designation to issue written instructions to contractors under the "Changes" article of Standard Form 23A and may formalize such written instructions by issuing change orders in amounts not to exceed \$25,000. This latter authority is limited to "field changes" resulting from conditions encountered in the field. Changes other than "field changes" will not be initiated by you except upon direction of the Contracting Officer. This authority can be exercised only when the following contract clause is added to Standard Form 23A under the "Alterations" provision:

"The area (resident) engineer is the authorized representative of the Contracting Officer for the purpose of issuing instructions and modifications pursuant to Clause 3 (Changes) of the General Provisions. The area (resident) engineer may execute on behalf of the Contracting Officer contract modifications where the amount involved in each instance does not exceed \$_____."

All change orders executed under the above authority shall be signed in the following manner:

"The United States of America
by _____
Authorized Representative of
the Contracting Officer"

3. This letter and chart are to be retained by you and exhibited, if required, as evidence of your authority. The authority herein granted is to be effective immediately and is to remain in effect until specifically revoked or modified.

4. Letter of 6 April 1959, subject: "Designation as Authorized Representative of Contracting Officer", is hereby superseded.
