

GLOSSARY

WWW.CHROMEHOOVES.NET

A

A. S. S: Accessory supply system

C

CCC: Control center circuits

CC POWER: Control center power

E

ECS: Engine control system

ET: Equipment terminal

F

FCS: Flight control system

G

GBC: Ground based chassis

GOE: Ground operating equipment

GOX: Gaseous oxygen

GUID: Guidance

L

LCS: Launch control system

LOX: Liquid oxygen

LS: Launch sequencer

M

M/F: Missile and facility

MS: Missile silo

WWW.CHROMEHOOVES.NET

P

PLPS: Propellant loading and pressurization system

PT: Propellant terminal

PTT: Press to test

R

RADN: Radiation

RGS: Radio guidance system

RVS: Re-entry vehicle system
